Selection Board

7-1. Composition

a. The MP Corps Regimental Honors Program Selection Board will convene each year. The board will be comprised of 11 individuals (7 voting/4 non-voting) who have served in MP related positions of major responsibility. The CMDT will select the President of the Board from the approved voting member list prior to the board commencing. The board members will be Active Component, Reserve Component, National Guard, HOF inductee or Retiree, and a Department of the Army Civilian \geq GS13:

- (1) USAMPS AC (non-voting member/advisor)
- (2) MP RCWO (non-voting member/advisor)
- (3) MP RCSM Sergeant Major (non-voting member/advisor)
- (4) MP Historian (non-voting member/advisor)
- (5) Active-Duty Officer Representative (Colonel, serving or former O6 level commander)
- (6) Reserve/National Guard Representative (serving or former O6 Commander)
- (7) Active Duty CSM/SGM Representative (serving or former O6 level or higher commands)
- (8) Active-Duty Warrant Officer Representative (Chief Warrant Officer 5)
- (9) Department of the Army Civilian Representative (GS13 or higher)
- (10) Retiree or HOF Representative
- (11) Reserve/National Guard CSM/SGM (serving or former O6 level or higher commands)

b. Board members must be of strong ethical and moral character consistent with the values embodied by the MP Corps Regiment. Members must represent demographic/composition of the Regiment in diversity/gender/composition (NG/RC/AC).

c. Board members will only perform duties twice and they will not be used on consecutive boards. Exceptions to this rule will be requested by DPO in writing to the CMDT and maintained as historical documents with the close-out report. The CMDT may allow the GS13 board member to serve on more than two panels based on the limited availability of GS13s and above.

d. Board membership will be rotated through all commands, brigades, and MACOM staff organizations/positions. The board membership should be 51% of legacy veterans of the Regiment to ensure they have a base of knowledge relating the history of the Corps. Legacy is defined as having served a minimum of the last 15 years in the MP Corps Regiment.

e. Board membership will be close hold and not released to the public.

7-2. Procedures

a. The board will vote on and select the current year's nominations into the MP Corps Regimental HOF, DMOC, Honorary Titles, Frye Award, and Tackett Award. Board results will not be made public until approved, and selectees have been personally contacted by the CMDT.

b. All packets will be completely reviewed by each board member before the board is convened. Given the impact of the board outcomes, the amount of time scheduled for deliberations and selections will not be constrained to a single morning, afternoon, or business day.

c. Observance of confidentiality of all documents and deliberations is a matter of conscience and personal integrity. The President of the Board will administer the following oath to the board when convened.

"I, _____, do solemnly swear (or affirm) that I will perform the duties of a member of the Honors Program selection board faithfully and to the best of my ability; that I will adhere to the selection criteria without prejudice or partiality; and that I will not reveal to unauthorized persons any information concerning the personnel records.

d. The board will vote each nominee's packet individually to assist in identifying those that best meet the qualifications outlined above regarding significant and long-term contributions to the MP Corps. The CMDT/Chief of the MP Corps withholds the scoring threshold for those that are to be inducted into the HOF and may approve an unlimited number of selections or as deemed appropriate.

e. HOF: All HOF nomination packets are considered for a period of three consecutive years, except in the following circumstances:

(1) If the average voting score falls below the minimum scoring threshold, withheld by the CMDT/Chief of the MP Corps.

(2) If at any time founded, past, or present, misconduct is brought forward that would be prejudicial to the good order and discipline and positive image of the MP Corps.

f. Each year, any HOF packet that meets the minimum voting threshold, withheld by the CMDT/Chief of the MP Corps, but was not selected for induction, will automatically be considered for the DMOC. If the packet is selected for the DMOC, it will still be considered for HOF for the remaining eligibility period, as long as it meets the minimum voting threshold.

g. For those packets that are unsuccessful in consideration for a third consecutive year or that didn't meet the minimum voting threshold, a letter will be sent to the nominator from the CMDT. Those packets will be delivered to the control and management of the USAMPS Historian. These archived packets will not be eligible to be considered by the board again for three years. The packet may be reactivated by any individual with additional substantial new material/information which definitively demonstrates the nominee's distinguished and long-term contribution to the success of the MP Corps and the U.S. Army, as a new standard packet.

(1) Each year a nominee's packet is eligible; the nominator may add additional substantive merit-based documentation. That documentation must be listed on a separate concise memorandum and expand on the nominee's direct and significant impact to the evolution and definition of the MP Corps' character, doctrine, mission and/or training.

(2) Additional substantive merit-based documentation will not constitute an automatic restart of the three years, unless the packet had been considered for three years unsuccessfully, didn't meet the minimum voting threshold, or an ETP has been

granted by the CMDT/Chief of the MP Corps.

(3) ETP requests to the three-year rule based on actions of substantive merit by the nominee can be considered and ruled on by the CMDT/Chief of the MP Corps for inclusion in the board proceedings.

h. DMOC: Nominations initially considered by the board, but not selected, will not be retained and a new packet must be submitted annually, as long as, there are additional significant and noteworthy contributions included in new packet.

7-3. Post Board Activities

a. A list of all submitted HOF packets, regardless of selection, will be maintained in the Regimental Historian's office and will be verified with current packets before each board convenes.

b. Post board actions required to be completed by the President of the board are to complete a formal AAR and conduct a back brief directly to the CMDT/Chief of the MP Corps. Thereafter, that AAR will be published publicly to assist in the continued advancement of the MP Corps Honors Program.
